Notice No. 21 - 2021

Date: July 8, 2021

To: Vice Presidents, Business Managers, Coordinators, Instructors, Field Representatives

From: Deven Johnson, ITF Executive Director; Tony Longbrake, Cement Mason Coordinator; and Tim Nelson, Plasterer Coordinator

Subject: 2021 Virtual Safety Week

Action: Join the OPCMIA-ITF on September 14-16, 2021, for our annual Safety Week! The training will be virtual this year, and it will run from 10:00 a.m.-4:00 p.m. Eastern Time with an hour-long break for lunch. The training topics are listed below.

Please note that you may attend all three days, Day 1 only, Day 3 only, or Days 2-3 only. **The Silica TTT on Day 2 will continue into Day 3 until 2:00 p.m. You must attend the Silica TTT in full to receive credit for the course. If you wish to attend only the Falls (Focus Four) and Electrical (Focus Four) on Day 3, you may attend Day 3 only during the time those classes are being held (2:00 p.m.-4:00 p.m.).**

2021 Virtual Safety Week Topics

September 14th: Opioid Awareness & Suicide Prevention in Construction

September 15th: Silica TTT

September 16th: Silica TTT, cont'd., Falls (Focus Four), & Electrical (Focus Four)

To register, visit <https://forms.gle/ST3LzzfNjmTrnRNc7> before the registration deadline on Friday, August 27, 2021. **When you register, please provide an address which guarantees you will receive any training materials the ITF may need to send out.**

If you have any questions or concerns, please contact tlongbrake@opcmia-itf.org, tnelson@opcmia-itf.org, or djohnson@opcmia.org.
